

## DATA SHEET

## BENEFITS

Quick, screwless installation of AP.

No zip ties or velcro, professional look and result.

Reduces number of AP units required for room coverage

Safe, secured use for unstable installations such as yachts.

Brings access points closer to client devices, ensuring faster connections.

Paintable cover allows matching decor, completely hides AP devices to please interior designers.

Protects and hides access point and wires to prevent damage, theft, or unauthorized alteration.

Service in minutes, easy to upgrade, modify, or replace installed AP.

Lowers installation and material costs.

Client satisfaction guaranteed.

BRING WIRELESS ACCESS POINTS CLOSER TO YOUR CLIENTS' DEVICES LIKE NEVER BEFORE...

Wireless access points are in high demand, but your clients' expectations of meeting aesthetic requirements can be a challenge.

The Paramount by WhyReboot solves many problems facing the installer and service professional with a one-size-fits all ceiling mount kit that completely hides all your best selling access points.

Installation takes minutes. Simply cut a hole in the ceiling and the Paramount's unique housing and swing clamp system squeezes the setup for a secure and low profile AP cavity. A unique and patent pending ratchet strap system adapts to hold any device. Simply turn a dial to tighten, connect all power and data cables and the AP will be solidly in place.

Once installed, simply snap in the cover flush to the ceiling. Paint the cover to match the ceiling and enjoy!

Paramount's paintable cover is secure and hides your best selling access points

Paramount's unique design minimizes attenuation allowing for optimal signal transmission through the housing and cover. Your clients will be delighted with stronger signals now that their access points are out of remote areas and are closer to where they are used.

**SHIPPING Q2 2018**

## PRODUCT DIMENSIONS

Swing clamp design ensures a tight fit.

## CUTOUT DIMENSIONS

Maximum ceiling material thickness is 1.5" for swing clamp engagement

Ratcheting lock system for easy installation.
